- User Software License: One (1) User

Serial Number: NM101253

Rights and restrictions on the use, transfer, and copying of the software are set forth in the Hewlett-Packard Company's Software License Terms. No intellectual property license, and no other license of any kind, is granted. User shall not reverse engineer, disassemble, or decompile the software.

The Following Pre-installation Steps Activate Your Software Read These Important Instructions

You must install an "activation key" before you can install or run this software. To obtain and install an activation key, follow the steps below. Complete these steps before you attempt to install or run the HP OpenView software.

To ensure you receive a valid activation key, and any warranty upgrades for which you are eligible, you must complete all the information on this form, and return it to HP as described below. Use block letters to ensure FAX readability.

1. Name HP OPENVIEW Date 6-2-94

Organization UNGERMANN BASS

Street 3990 MISSION COLLEGE BLVD.

City SANTA CLARA State/Province CA Zip 95054

Country USA Telephone _____ FAX _____

2. Circle your product part number on the following line:

HP9000 Series 300 or 400
(J2316A)

HP9000 Series 600, 700, or 800
(J2317A)

Sun SPARC
(J2318A)

3. Circle your media option on the following line:

1/4-inch tape

QIC tape

DDS (DAT) tape

CD ROM

(Continued next page ...)

012-11

giving the following

4. In the space below, supply the hostname and IP address for the system on which you will actually install the software. To find the IP address you need, issue the appropriate following commands on that system:

On an HP system: \$ `/etc/hostname` ← Use the result of this command in the next command.
 \$ `/etc/ping hostname 8 1`

On a Sun system: \$ `/etc/hostname` ← Use the result of this command in the next command.
 \$ `/etc/ping -s hostname 0 1`

The IP address you need appears in the output message. It is a series of four numbers, separated by periods (e.g., 192.45.36.5).

Date of request	Hostname	IP Address (e.g., 192 . 45 . 36 . 5)			

5. FAX this entire *Software Certificate* to this United States telephone number: **303-330-7655** Be sure to include your return FAX number. You will receive your activation key by FAX within one business day.
- If you do not have access to FAX facilities, or if you have questions about your activation keys, call the following United States telephone number:
- Within the United States: **800-826-1719** Outside the United States: **303-339-7025**
6. When you receive your activation key, install it on the proper system as described in the HP OpenView *Installation Guide*.
7. Archive this Software Certificate and your activation key in a safe place.
8. Install the software as described in the HP OpenView *Installation Guide*.
